La Secretaría del Organismo Internacional de Energía Atómica (OIEA) saluda a los Estados Miembros del OIEA y tiene el honor de señalar a su atención la celebración del **Taller Internacional sobre la Integración de Aplicaciones de Seguridad Física Nuclear en Grandes Zonas Urbanas** (denominado en adelante el “evento”), que tendrá lugar en Madrid (España), del **22 al 25 de noviembre de 2022**.

La finalidad del evento es concienciar y familiarizar a los funcionarios encargados del cumplimiento de la ley y a los funcionarios de seguridad nacional con los procesos de integración de las aplicaciones de seguridad física nuclear en las medidas de seguridad ya existentes en grandes zonas urbanas.

En la reseña informativa adjunta se ofrecen más detalles sobre el evento.

El evento se celebrará en inglés.

Se invita a los Estados Miembros a designar a una o más personas para que participen en este evento en representación de su Gobierno y se los alienta encarecidamente a que seleccionen con ese fin a mujeres calificadas.

Por lo general, el OIEA no está en condiciones de sufragar los gastos de viaje ni de otra índole de los participantes en el evento. No obstante, dispone de fondos limitados para ayudar a cubrir los gastos de asistencia de determinados participantes. Esa ayuda puede ofrecerse normalmente, previa solicitud expresa, a un participante por país siempre que, en opinión del OIEA, la persona para la que se solicite pueda hacer una contribución importante al evento. La solicitud de apoyo financiero debe presentarse en el momento de la designación de los participantes mediante el formulario de solicitud de subvención adjunto (Formulario C).

Cabe señalar que el OIEA no paga ninguna indemnización por daños o pérdida de efectos personales. Tampoco proporciona seguro médico a los participantes en eventos del OIEA. Por lo tanto, se recomienda que estas personas adopten las medidas necesarias para contratar por su cuenta un seguro privado. No obstante, el OIEA cubrirá mediante un seguro los accidentes y las enfermedades claramente relacionados con los servicios prestados al OIEA.

Las designaciones deben presentarse al OIEA por conducto de la autoridad nacional competente (el Ministerio de Relaciones Exteriores, la Misión Permanente ante el OIEA o la Autoridad Nacional de Energía Atómica), a más tardar el **2 de septiembre de 2022**, por medio del formulario de participación adjunto (Formulario A). Los formularios de participación debidamente cumplimentados y autorizados deben enviarse por correo electrónico a la dirección [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org) o por fax al número: +43 1 26007 (no se precisan copias impresas). Asimismo, han de enviarse copias por correo electrónico al Secretario Científico del evento, Sr. Jordan Swarthout, División de Seguridad Física Nuclear, Departamento de Seguridad Nuclear Tecnológica y Física (correo electrónico: [J.SWARTHOUT@iaea.org](mailto:J.SWARTHOUT@iaea.org)), y a la Secretaria Administrativa, Sra. Magdalena Tonnellier (correo electrónico: [M.Tonnellier@iaea.org](mailto:M.Tonnellier@iaea.org)). Una vez recibidas las designaciones oficiales, el Secretario Científico del evento contactará directamente a los participantes en relación con otras cuestiones de organización, como los detalles del viaje, según proceda.

La Secretaría del Organismo Internacional de Energía Atómica aprovecha esta oportunidad para reiterar a los Estados Miembros del OIEA el testimonio de su distinguida consideración.

# **International Workshop on Integrating Nuclear Security Applications in Major Urban Areas**

**Hosted by the  
Government of Spain**

**through the  
Guardia Civil**

**Madrid, Spain**

**22 - 25 November 2022**

**Ref. No.: EVT2201711**

## **Information Sheet**

### **Introduction**

The threat related to criminal or intentional unauthorized acts involving nuclear or other radioactive material out of regulatory control has long been a matter of national and international concern and cooperation. Recent terror attacks in major urban areas across the globe have made that threat more urgent. This workshop has been designed in collaboration with the International Criminal Police Organization (INTERPOL) and aims to facilitate the exchange of information on the topic of integrating nuclear security applications for major urban areas through a number of means, including hands-on sessions, discussions on concepts and techniques for daily steady-state operations and postures, and practical demonstrations. This event is the third in a series of events on this topic. It builds on the outcomes of a pilot workshop held in New York City, United States in December 2017, an international workshop held in Buenos Aires, Argentina in November 2018, and an international workshop in Kuala Lumpur, Malaysia in November 2019.

## Objectives

The objective of this workshop is to raise awareness and provide models for law enforcement and national security officials to integrate nuclear security into existing security measures in major urban areas, specifically in order to:

- Raise awareness and provide guidance for informing responsible authorities about the importance of nuclear security, reality of high consequence threat, and need for resources addressing RN issues alongside other issues;
- Share tools for integrating nuclear security into existing security plans, including Member State experience and identified good practices; and
- Highlight importance of, and provide models for, interagency cooperation and information sharing for security measures

## Target Audience

Senior level law enforcement officials from major urban areas and nuclear security officials from national nuclear security coordination bodies or other competent authorities in the area of nuclear security.

## Working Language(s)

English

## Participation and Registration

All persons wishing to participate in the event have to be designated by an IAEA Member State or should be members of organizations that have been invited to attend.

In order to be designated by an IAEA Member State, participants are requested to send the **Participation Form (Form A)** to their competent national authority (e.g. Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority) for onward transmission to the IAEA by **2 September 2022**. Participants who are members of an organization invited to attend are requested to send the **Participation Form (Form A)** through their organization to the IAEA by above deadline.

Selected participants will be informed in due course on the procedures to be followed with regard to administrative and financial matters.

Participants are hereby informed that the personal data they submit will be processed in line with the [Agency's Personal Data and Privacy Policy](#) and is collected solely for the purpose(s) of reviewing and assessing the application and to complete logistical arrangements where required. Further information can be found in the [Data Processing Notice](#) concerning IAEA InTouch+ platform.

## Expenditures and Grants

No registration fee is charged to participants.

The IAEA is generally not in a position to bear the travel and other costs of participants in the event. The IAEA has, however, limited funds at its disposal to help meet the cost of attendance of certain participants. Upon specific request, such assistance may be offered to normally one participant per country, provided that, in the IAEA's view, the participant will make an important contribution to the event.

The application for financial support should be made using the **Grant Application Form (Form C)** which has to be stamped, signed and submitted by the competent national authority to the IAEA together with the **Participation Form (Form A)** by **2 September 2022**.

## Visas

Participants who require a visa to enter Spain should submit the necessary application as soon as possible to the nearest diplomatic or consular representative of Spain.

## Organization

### Scientific Secretary

#### Mr Jordan Swarthout

Division of Nuclear Security  
Department of Nuclear Safety and Security  
International Atomic Energy Agency  
Vienna International Centre  
PO Box 100  
1400 VIENNA  
AUSTRIA

Tel.: +43 1 2600 25678

Fax: +43 1 26007

Email: [J.SWARTHOUT@iaea.org](mailto:J.SWARTHOUT@iaea.org)

### Administrative Secretary

#### Ms Magdalena Tonnellier

Division of Nuclear Security  
Department of Nuclear Safety and Security  
International Atomic Energy Agency  
Vienna International Centre  
PO Box 100  
1400 VIENNA  
AUSTRIA

Tel.: +43 1 2600 24887

Fax: +43 1 26007

Email: [M.Tonnellier@iaea.org](mailto:M.Tonnellier@iaea.org)

Subsequent correspondence on scientific matters should be sent to the Scientific Secretary/Secretaries and correspondence on other matters related to the event to the Administrative Secretary.

# Participation Form

## International Workshop on Integrating Nuclear Security Applications in Major Urban Areas

**Madrid, Spain**

**22–25 November 2022**

To be completed by the participant and sent to the competent national authority (e.g. Ministry of Foreign Affairs, Permanent Mission to the IAEA, or National Atomic Energy Authority) of his/her country for subsequent transmission to the International Atomic Energy Agency (IAEA) either by email to: [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org) or by fax to: +43 1 26007 (no hard copies needed). Please also send a copy by email to the Scientific Secretary [[J.Swarthout@iaea.org](mailto:J.Swarthout@iaea.org)] and to the Administrative Secretary [[M.Tonnellier@iaea.org](mailto:M.Tonnellier@iaea.org)].

[If applicable: Participants who are members of an invited organization can submit this form to their organization for subsequent transmission to the IAEA.]

**Deadline for receipt by IAEA through official channels: 02 September 2022**

Representing following Member-State/ non-Member State/entity or invited organization:		
Family name(s): (same as in passport)	First name(s): (same as in passport)	Mr/Ms:
Name of Institute/Affiliation:		
Address of Institute/Affiliation:		
Tel. (Fax) Office/Mobile:		
Email:		
Date of birth (YYYY-MM-DD):	Place of birth:	
Nationality:	Passport number:	
Date/Place of issue of passport:	Passport valid until:	

### 1. Education (post-secondary):

Name and place of institution	Field of study	Diploma or Degree	Years attended	
			from	to

**2. Recent employment record (starting with your present post):**

Name and place of employer/ organization	Title of your position	Type of work	Years worked	
			from	to

**3. Description of work performed over the last three years:**

---

---

---

---

---

**4. Relevance of the event:**

How do you envisage applying the knowledge and/or experience gained from the event to your current work role?

---

---

---

---

---

**5. Language skills:**

Enter your languages and your proficiency per Description

Mother tongue:		Proficiency Description:
Language:	Proficiency:	
		<b>FLUENT (F):</b> Speak, read and write nearly as well as mother tongue
		<b>WORKING KNOWLEDGE (W):</b> Speak, read and write nearly as well as mother tongue Engage freely in discussions, read and write more complex material
		<b>LIMITED (L):</b> Limited conversation, reading of newspapers, routine correspondence

**6. Medical Status**

Both the designating authority and the applicant acknowledge that the applicant shall be solely responsible for his or her fitness to travel, as well as for any medical requirements or precautions in connection with traveling to the event, including vaccinations or immunizations.

Yes

**Date:** \_\_\_\_\_ **Signature of applicant:** \_\_\_\_\_

**Date:** \_\_\_\_\_ **Name, signature and stamp of Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority** \_\_\_\_\_

Participants are hereby informed that the personal data they submit will be processed in line with the [Agency's Personal Data and Privacy Policy](#) and is collected solely for the purpose(s) of reviewing and assessing the application and to complete logistical arrangements where required. The IAEA may also use the contact details of Applicants to inform them of the IAEA's scientific and technical publications, or the latest employment opportunities and current open vacancies at the IAEA. These secondary purposes are consistent with the IAEA's mandate.
